RE: CONTRACTOR FOR HOTEL HOUSEKEEPING

The letter is to acknowledge Bumi Tunggal Maju S/B for the excellent services in providing trained housekeeping workers to Fraser Puteri Harbour Since 15 February 2019.

The workers have been doing a good job and we are very pleased with the outcome of their work. The workers are thorough and efficient, and they perform according to our standard requirement. In addition, the company has always provided excellent customer service at any point of time when we had any issue and it was promptly addressed.

We would definitely recommend Bumi Tunggal Maju Sdn Bhd as the service provider for any housekeeping services required.

Thank you
